

**Brabazon is looking for a full-time Pump Technician in our Green Bay location.**

You will be responsible for assisting and completing pump repairs and works closely with the Shop Supervisor and internal staff to keep the pump department running efficiently, meeting customer demands.

**This job is for you if you:**

- Want fulfilling work that allows you to provide customers with the results they need
- Have a talent for troubleshooting and a strong mechanical aptitude
- Are self-motivated, organized and punctual
- Enjoy working in a fast-paced environment with a strong focus on safety

**Minimum Requirements:**

- High School Diploma/GED required with 2 year technical degree or higher preferred.
- Requires a minimum of three (3) years of mechanical/repair experience to include but is not limited to mechanical, electrical, electronics, hydraulics, and pneumatics. Experience in pipe fitting, programming PLCs and welding is preferred.
- Possess and maintain a valid Driver's License and be willing to travel to southern Wisconsin regularly and overnight on a rare basis.
- Minimum of intermediate computer skills (Microsoft Word, Excel, Outlook, and Internet)
- Must have own basic tools; job specific tooling will be provided or evaluated upon request.
- Be self-motivated and possess excellent time management skills with a strong sense of customer service and the ability to meet deadlines.
- Solid organizational skills with the ability to multi-task and be detailed oriented.
- Willing to work overtime during the week and on weekends when needed or job requires with little notice and be on call for a week at a time, including holidays.
- Ability to effectively communicate and understand the needs of others, both in writing and verbally, with people of various educational and technical backgrounds, both inside and outside the company.

**Physical Requirements:**

- The employee must regularly lift and/or move up to 50 pounds, frequently lift and/or move up to 75 pound.
- Ability to work in an industrial environment with continuous standing and frequent walking, bending, reaching, climbing, and kneeling.
- Must wear and use proper PPE at all times, in all applicable areas.

**You will be successful in this role if you:**

- Communicate professionally and courteously
- Have excellent customer service and time management skills
- Are adaptable and resourceful in finding solutions
- Maintain a high attention to detail and can multi-task and prioritize

**Your daily work in this role will include:**

- Perform in-shop and field repairs on pumps as assigned.
- To assist the primary Compressor On-Call Technician when they respond to after business hours emergency calls for pump related issues (before 7:00am, after 3:30pm, and weekends).
- Troubleshoot and perform diagnostic assessments to determine probable cause for malfunctions and to suggest and perform repair for the customer with customer and Pump Shop Supervisor approval.
- Perform Start-Up and Troubleshoot pumps and systems including programming of microprocessors, PLC's, VFD's.
- Installation and commissioning of vendor supplied machine health monitoring equipment.
- Complete all appropriate paperwork in detail that supports the condition of the equipment, what actions were taken to repair the pump and what additional work/repair may be needed.
- Conduct general facility maintenance repair from daily/weekly assignments and special projects.

As you progress in this role, there is the potential for additional functions that provide opportunities for personal growth and development. Our goal is to provide a challenging and motivating work experience for all our team members.

**At Brabazon, you are part of a family.** Owned and operated by family since the beginning, we want to preserve that supportive family feel for everyone on the team. We value and care about our team members. We respect everyone's need for work-life balance, because we too have important personal and family responsibilities. We strive to be owners who are down-to-earth and approachable. We work right alongside our team members, doing our part like everyone else so that we as a team can meet the needs of all the customers who are depending on us.

**We are proud of and passionate about:**

- Being a team of experts in our industry who always put the customer first
- Having a growth mindset, continually innovating and utilizing up-to-date technology
- Ensuring a friendly, respectful and safe work environment that emphasizes team collaboration

**Benefits you will receive include** health, dental, vision, life and disability insurance, flexible spending account, PTO, holiday pay, and a 401(k) program with a 100% employer match on the first 3% and an additional match of 50% on the next 2%.

We are an Equal Employment Opportunity Employer.
